THERE IS HOPE

Our mission headquarters, **World Harvest Mission**, is located in Mariani, just west of Port-Au-Prince, and is the hub of our work throughout Haiti. At the base, we are providing safety, nutrition, and education for up to **36 orphans**. Also, at Mariani, we are educating **250 students** through private education. **World Harvest Church** is also on site equipping the body, ministering to the children, and reaching the community.

Not only are we ministering to the people of Mariani, World Harvest Mission is also comprised of **five more church campuses and schools** in the cities of Les Cayes, Jacmel, Bainet, and Degand.
